Findlay Digital Academy

2006-2007 Annual Report

Structure

Findlay Digital Academy (FDA) is a Conversion Community School sponsored by the Findlay City Schools to serve students in 9th through 12th grades living in the Findlay City District. 2006-2007 was our second year where we were able to offer a full school year of instruction.

Mission

Our mission is to enhance and facilitate student learning by combining state-of-the-art digital curriculum and curriculum with access to local school resources that complement that instruction and prepare students to become lifelong learners and productive citizens.

Goals

1. To design and plan for an exemplary digital academy that will address the needs of the non-traditional student for whom the traditional model of school does not work.
2. Implement an effective marketing plan that will make the community aware of the educational opportunities offered by Findlay Digital Academy.
3. Create a broad based community support system for the Findlay Digital Academy students and their parents.
4. Develop an orientation protocol that prepares all of the students and parents for their entry into the online environment.
