

## College Credit Plus (CCP) Pathways

Ohio's College Credit Plus program was established to permit students in grades 7-12 to earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. The program is intended to provide expanded opportunities for appropriately qualified students to experience course work at the college or university level. Any student admitted to a course by an institution of higher education will be expected to perform at the same level as all other students enrolled at the college or university. College courses should either contribute to or supplement the academic preparation needed by students.

### **YOU HAVE TWO CHOICES:**

**Option A** -- Enroll for college credit only. Students selecting this option will be responsible to pay for tuition, fees and books.

**Option B** - Enroll for college courses for college and high school graduation credit. Students selecting this option will not be required to pay for tuition or books.

Any student who wants to participate in CCP both the student and parent or guardian must complete the state school-counseling requirement prior to March 31 and submit a letter of intent to participate by April 1 of the year prior to participation. College or university course hours will be converted to Carnegie units, used in Ohio's high schools, in the following manner.

Semester Hours	Carnegie Units
3 or more hours	1 credit
2 hours	.66 credit
1 hour	.33 credit

College Credit Plus allows high school students to earn college credit and apply that credit toward their high school graduation requirements. Below are two examples of course pathways that students have the option to follow.

### CCP 15 Hour Pathway Example

15 Hours			
Fall	CR HR	Spring	CR HR
ENG 111	3	ENG 112	3
SOC 101	3	PSY 101	3
		MTH 213	3
			<b>15</b>

### CCP 30 Hour Pathway Example

30 Hours			
Fall	CR HR	Spring	CR HR
ENG 111	3	ENG 112	3
SOC 101	3	PSY 101	3
MTH 173	3	MTH 213	3
ART 101	3	ECO 111	3
AST 101	3	ENG 200	3
			<b>30</b>

Students who fail a CCP course or drop a course after the fourteenth day of the semester will be responsible for payment of the costs of tuition and books. Students must understand that failing a course will adversely affect their GPA.

## College Preparatory Curriculum

Students planning on attending college must follow the following curriculum.

<u>Subject</u>	<u>Credits Required</u>	<u>Specifications</u>
English	4 credits	
Math	4 credits	Must include Algebra 2 or higher level math class
Science	3 credits	Must include Chemistry or other higher level science
Social Studies	3 credits	
Financial Literacy	.5 credit	
Health	.5 credit	
Physical Education	.5 credit	
Foreign Language	2 credits	Must be 2 credits in the same language
Fine Arts	1 credit	
Additional credits	1.5 credits	
<b>Total</b>	<b>20 credits</b>
