Findlay Digital Academy
May 4, 2017

- New This Year:
 - Increased Amount of Log In Hours...26 Hours per week
 - Better for you, pushed you to finish work
 - Have a job, so it is hard to get done
 - Puts pressure on you
 - Self Reporting
 - Good, helps you be able to log extra work that you do
 - Didn't do it, always forgot
 - Something else to keep track of ☹
 - Liked that I didn't always have to use my computer, could use my phone and still get credit watching the videos that I needed to watch.
 - Testing
 - EOC Bio was hard...didn't recognize a lot of it
 - Don't like testing.
 - Came in from FHS where I was in World History, and here is was American History.
- Strengths/Weakness:
 - Lab
 - Hours
 - Open on Friday, lots of kids would come and more opportunity to get help.
 - Like the 10-4 time
 - Wish lab was open later because of work 5:00 would be good.
 - Atmosphere
 - No bullying.
 - Like the small groups
 - Like being able to sit with friends and do work.
 - Mrs. Steiner is always welcoming.
 - Not forced to do anything.
 - Lots of freedom, can move around.

- Coaches Help
 - Love them!
 - They are so helpful.
 - Having the notebooks help also.
 - Always asking if we need help.
 - Great having a Chemistry Coach.
 - Weekly Coaches Contact
 - See my coach in the lab.
 - Calls are helpful in reminding me to get work done.
 - I like they call me directly, not my parents.
 - Other
 - Things get taken care of, not shoved to the side.
 - Need more areas to work—sometimes really busy in here.
 - Like having the Senior Room as a quiet area.
 - Coaches push you to get things done.
 - Social Activities

 - Love it!
 - Need more! Maybe 2x per quarter
 - Start earlier
 - Maybe hold on a weekend
