

# Student Career Success Plan

Student Name

Graduation Cohort (year originally scheduled to graduate)

Date Student Career/Success Plan Completed

---

The mission of the Findlay Digital Academy is to meet the needs of each student by providing state approved education through on-line instruction and individualized mentoring. The intent of this annual learning plan is to provide the student with an individualized detailed plan of subject matter to be mastered and tasks to be completed towards graduation and finding employment in the future.

---

Fill in the form and complete all activities. Review your results with your coach or counselor. Save all your work in your [www.OhioMeansJobs.com](http://www.OhioMeansJobs.com) backpack and allow your coach to see your results.

1. Create an OhioMeansJobs.com backpack account.

User name

Password

2. Complete a Career Cluster Inventory and list the top two scored areas.

3. Complete a Career Profile then research and list one career/job suggested.

4. After researching the first career/job, I learned that it requires the following level of education:
