

Findlay Digital Academy – Senior Portraits - 2018

The FDA would like to provide you with a gift – a package that contains the following prints:

- 1 x 8x10 portrait print
- 2 x 5x7 portrait prints
- 24 x wallet portrait prints

Note: The images in your gallery will be lightly edited meaning any out of place hairs, etc. will be removed in the final image. If you have any blemishes, scars, etc. you would prefer to be removed please let the photographer know at your photo session.

You may select the pose(s) you would like to use from your photo session. The package does not have to consist of the same pose for each portrait print; however, wallet prints do need to be ordered in sets of 8. This means you can select up to 3 different poses for the wallets.

To select which poses you would like to order for your prints follow the instructions below.

Photo print selections must be completed by February 14th, 2018.

1. Review your senior photo gallery by going to www.photostudio840.com and selecting 'client access'. You will be prompted for a galleryID - your galleryID will be FirstnameLastname18 **Example:** If your name is Joe Smith your galleryID will be JoeSmith18.
2. Select the poses you would like for each size print.
3. You will need to add 1- 8x10, 2 – 5x7 and 3 sets of (8) wallets to your online cart.
