Dear Applicant,

Thank you for considering becoming part of the Findlay Digital Academy 22+ Adult High School Diploma Program. The Ohio Department of Education is offering this program through Findlay Digital Academy and other institutions, to help adults without a diploma or High School Equivalence Certificate earn a high school diploma and to improve their work force skills. It is the hope of the academy and the Ohio Department of Education, that earning a diploma will be the first step to acquiring a work force credential and/or post-secondary education.

The 22+ Adult High School Diploma Program is a free on-line high school diploma program that is available to any person who is 22 years of age or older and resides any of the following school districts:

<ul style="list-style-type: none"><li>• Ada Local School District</li><li>• Arcadia Local School District</li><li>• Bluffton Local School District</li><li>• Cory-Rawson Local School District</li><li>• Elmwood Local School District</li><li>• Findlay City Schools</li><li>• Fostoria City School District</li></ul>	<ul style="list-style-type: none"><li>• Hardin-Northern Local School District</li><li>• Liberty Benton Local School District</li><li>• North Baltimore Local School District</li><li>• Riverdale Local School District</li><li>• Van Buren Local School District</li><li>• Vanlue Local School District</li></ul>
---	---

Applicants may not have previously earned a diploma or High School Equivalence Diploma. Additionally, the Ohio Department of Education sets guidelines as to who is eligible to be admitted to the program. Only after evaluation of the applicant's prior high school transcript can eligibility be determined.

**Not everyone who fills out an application will be accepted to the program.** Admission to the program will be based on completeness of the application, number of credits the applicant has already earned while in high school, the number of tests passed, career goals, motivation, and the interview. Also, at times it might be necessary to put a cap on enrollment due to staff work load or Ohio Department of Education enrollment limits. A waiting list based on application date will be developed should this occur.

**The Ohio Department of Education has the final say as to whether or not the applicant will be accepted into the 22+ Adult High School Diploma Program.**

When an applicant is accepted into the 22+ Adult High School Diploma Program by the Ohio Department of Education, the adult has a **maximum of two academic years** to complete all course work and pass all the required tests. The two-year window is not based on a calendar year or time of enrollment, but is based on a fiscal year that runs July 1 through June 30. For example, if an adult learner enters the program in January, he/she will already be six months into the two-year program. Consequently, time of admission, will have to be carefully accessed. If the adult learner does not complete all the requirements in that time, they will not be able to

continue or apply again at a later date. If an adult learner is removed from the program for any qualifying reason, he/she will not be able to re-apply at a later date.

**A student must supply his/her own computer and internet connectivity to do his/her coursework.** To receive credit for a course a student must complete:

- All course lessons and activities
- All tests

**State law forbids that the 22+ Program students from being in the building at the same time as the traditional high school students.** Findlay Digital Academy is open 10 AM – 3:00 PM Monday through Thursday for traditional students under the age of 18.

Those applicants who are admitted to the program are expected to **work 15 hours a week on their coursework and to inform the academy any time there is a change in residency, email or phone number. Applicants will also have to provide their own computer and internet connectivity. However, free computer access is available at the public library.**

We look forward to working with you and helping you earn your high school diploma.

Sincerely,

Rosemary Rooker  
Findlay Digital Academy Superintendent

Mark Willeke  
Findlay Digital Academy 22+ Coordinator

## **Steps for Admission and Completion of the 22+ Adult Learner Program**

### **Step 1 – Application Process**

- The adult learner will secure, fill out and submit the 22+ Adult High School Diploma Program application.

### **Step 2 – Request for Records and Review of Transcripts (and IEP if applicable)**

- Findlay Digital Academy will use your signed Release of Records form to contact the high school you last attended to request your academic records.
- Upon receiving your records, we will evaluate the records against state guidelines.
- Once your records are evaluated, we will contact you to let you know if you are eligible for the 22+ program.

### **Step 3 – Orientation Scheduled**

- Eligible candidates will be scheduled for Orientation.

### **Step 4- Orientation**

- You will need to bring to orientation
  1. Proof of Residency – one current document (utility bill, rent agreement, pay stub, et cetera)
  2. Driver's License or State ID.
  3. Pay Stubs or W-2 forms if using work experience for Work-Life Credit
- If you miss your scheduled Orientation a make-up session will be scheduled, but a third Orientation date will NOT be scheduled.
- Orientation will include the following activities:

  - Review of 22+ Adult High School Diploma Handbook
  - Setting up your OH|ID account with the Ohio Department of Education (ODE) and completing your State Profile.
  - Instruction on how to use the curriculum
  - The adult learner and the Career Counselor/Coach will discuss whether there are areas that need to be assessed for the student to earn credit for prior Work/Life experiences. If the student decides to pursue this avenue, then which assessment instrument will be established (i.e., Ohio Means Jobs Work Keys Assessment, Portfolio submission, submission of certificates of military or employment earned credentials).
  - Instruction on how to use the curriculum.
  - Upon completion of the orientation meeting, the 22+ Coordinator will enter the student's information into the ODE 22+ Portal. Students will start coursework after their application and Academic Progress plan have been approved by the ODE and they are officially accepted by the state into the 22+ Adult Learner program. Students will not be able to start coursework until this has been approved.

### **Step 5 – Continuation in the Program**

- Upon acceptance as a 22+ Adult Learner will be contacted by an FDA instructor and will be assigned their first course. Students will be assigned additional coursework if the instructor is satisfied students are making adequate progress. Students will work on no more than two courses at any one time.
- Attendance will be reviewed periodically.
- WorkKeys, MAP, or TABE will be administered and results evaluated when applicable.

- FDA personnel will attempt to make weekly contact with the adult learner through a phone call, text, or email. A letter will be sent, if contact cannot be made via phone or email for two weeks.
- Students will receive Progress Reports in December and at the end of March.
- The adult learner will be informed of when and where applicable state testing will take place. The adult learner is expected to attend all required state testing in order to stay enrolled in the program.

- Prior to graduation the adult learner will create a job ready resume.
- The adult learner will be offered the opportunity to meet with a representative of Hancock County Ohio Means Jobs to refine their resume and/or participate in a mock interview to hone interview skills.
- The adult learner will decide if they want to participate in the formal graduation ceremony in May of each year.
