

Student Advisory Council Meeting

Meeting Notes

Monday, October 26, 2020

1:00 PM

Attendance	Michael Brand Mia Haustein Dalton Zehender Hunter Howard Evelyn Robertson Derek Howard
Opening	Shared with students the reason for our meeting. Shared that our purpose is to try to come up with ideas and activities that will encourage youth to work hard at earning units and hours toward their education and to come together in pro-social activities, to recognize the importance of having a drug-free lifestyle, to build self confidence and to appreciate making good decisions for self and others. Also shared that we are interested in their thoughts on the progression of this school year.
Agenda Discussion	The following information was shared during the meeting: What's Working at FDA: <ul style="list-style-type: none">● Students seem to enjoy what FDA has to offer.● Like coaches help● Like the ability to stay in bed● Hours are good● Like both virtual and in-lab formats● Prefer to come to the lab● Able to go to work and do school● Coaches want to help and show them things● Everyone works together● Easy classes● Likes access to snacks Some Concerns at FDA: <ul style="list-style-type: none">● Offline activities● Tutor calling● Some answers in the curriculum get marked as wrong when they shouldn't

	<p>Other Topics: We discussed wanting to have social meetings like we did last year, like Coffee Amici Game Nights. We also understand that during this time of COVID-19 we are not able to meet like this, but we hope in the future we are able to do so. We also talked about when we do have the opportunity to meet together that we could have an outdoor party and participate in a variety of games and snacks.</p>
