Dear Applicant,

Thank you for considering becoming part of the Findlay Digital Academy 22+ Adult High School Diploma Program. The Ohio Department of Education is offering this program through Findlay Digital Academy and other institutions, to help adults without a diploma or High School Equivalence Certificate earn a high school diploma and to improve their work force skills. It is the hope of the academy and the Ohio Department of Education, that earning a diploma will be the first step to acquiring a work force credential and/or post-secondary education.

The 22+ Adult High School Diploma Program is a free on-line high school diploma program that is available to any person who is 22 years of age or older and resides any of the following school districts:

<ul style="list-style-type: none">• Ada Local School District• Arcadia Local School District• Bluffton Local School District• Cory-Rawson Local School District• Elmwood Local School District• Findlay City Schools• Fostoria City School District	<ul style="list-style-type: none">• Hardin-Northern Local School District• Liberty Benton Local School District• North Baltimore Local School District• Riverdale Local School District• Van Buren Local School District• Vanlue Local School District
---	---

Applicants may not have previously earned a diploma or High School Equivalence Diploma. Additionally, the Ohio Department of Education sets guidelines as to who is eligible to be admitted to the program. Only after evaluation of the applicant's prior high school transcript can eligibility be determined.

Not everyone who fills out an application will be accepted to the program. Admission to the program will be based on completeness of the application, number of credits the applicant has already earned while in high school, the number of tests passed, career goals, motivation, and the interview. Also, at times it might be necessary to put a cap on enrollment due to staff work load or Ohio Department of Education enrollment limits. A waiting list based on application date will be developed should this occur.

The Ohio Department of Education has the final say as to whether or not the applicant will be accepted into the 22+ Adult High School Diploma Program.

When an applicant is accepted into the 22+ Adult High School Diploma Program by the Ohio Department of Education, the adult has **a maximum of two academic years** to complete all course work and pass all the required tests. The two-year window is not based on a calendar year or time of enrollment, but is based on a fiscal year that runs July 1 through June 30. For example, if an adult learner enters the program in January, he/she will already be six months into the two-year program. Consequently, time of admission, will have to be carefully accessed. If the adult learner does not complete all the requirements in that time, they will not be able to

continue or apply again at a later date. If an adult learner is removed from the program for any qualifying reason, he/she will not be able to re-apply at a later date.

A student **must supply his/her own computer and internet connectivity to do his/her coursework.** To receive credit for a course a student must complete:

- All course lessons and activities
- All tests

State law forbids that the 22+ Program students from being in the building at the same time as the traditional high school students. Findlay Digital Academy is open 10 AM – 3:00 PM Monday through Thursday for traditional students under the age of 18.

Those applicants who are admitted to the program are expected **to 2-3 units per week on their coursework and to inform the academy any time there is a change in residency, email or phone number. Applicants will also have to provide their own computer and internet connectivity. However, free computer access is available at the public library.**

We look forward to working with you and helping you earn your high school diploma.

Sincerely,

Rosemary Rooker
Findlay Digital Academy Superintendent

Mark Willeke
Findlay Digital Academy 22+ Coordinator
